Daffodil Convent School

Manpur, Giriyak Block ( Nalanda )

Sub : - Inspection Report regarding fire precautionary / measures in your school.

Sir,

In view of your letter dated 11/09/2023, I inspected your school premises, Manpur ( Giriyak Block ) on dated 15/09/2023. During inspection I found that the school is of 4 hrs fire resistance capacity and following active and passive fire protection arrangements :

1. School has three stair cases.
2. Corridors have enough width.
3. Every floor protected by fire extinguishers.

## Suggestion

All firefighting equipment should by maintain every time and a mock drill should also be done once in three months.

Yours sincerely,
